

PMM PREMIX MARBLECRETE/MARBLETITE NOTICE

February 1, 2022

Dear Customers,

As a result of current the sales environment, PMM will only be producing Marblecrete/Marbletite Polar White Base. We will be able to provide colored powder packs for the standard colors. All powder pack orders must be in increments of 5 bags of Polar White to 1 powder pack ratio 5:1. Powder pack pricing will vary depending on color. We will require a minimum of 42 bags (1 pallet) of Polar White purchase.

PMM is not responsible for color variations to include the improper use of the powder pack 5:1 ratio

Installer assumes all responsibility for thoroughly mixing and the application of product.

Please allow 10 business days upon order confirmation. All orders once confirmed will be considered final sale, no refunds or cancellations will be accepted.

Thank you for your understanding.
